WESTMINSTER  
SOCIETY

URBAN VITALITY AND CONGENIALITY

The Westminster Society  
presents its  
Biennial Award for Urban Design

to

The British Broadcasting Corporation, *clients*; and Sir Richard MacCormac with MJP, *architects*

for

**BBC BROADCASTING HOUSE'S NEW CONFIGURATION AND ALL SOULS' PLACE PEDESTRIANISATION**

IT COULDN'T HAVE BEEN EASY TO STAND ON THE SHOULDERS OF JOHN NASH,  
BUT BROADCASTING HOUSE'S NEW FOOTPRINT HAS PROVIDED AN APPROPRIATE PEDESTRIAN BRANCH  
FOR THE NASH PROMENADE ARCHITECTURALE. THE BUILDING LINE'S CURVING WALLS GRACEFULLY RELATE  
TO THE SPIRE OF ALL SOULS', THEY EMBRACE A NEW GRAND ENTRANCE FOR THE BBC, AND THEY  
GENEROUSLY CONTRIBUTE AN INVITING PIAZZA TO THE PUBLIC REALM.
